HBA IS OFF TO A GREAT START!

In golf, so much of how a round is played is hinged upon how the golfer began his round. Start with a double bogey, and well, it is going to be a long day. The same is true with a new school year. The better the start, chances are, the better the school year.

I am so thankful for the great start that HBA has experienced these past three weeks. It is truly a blessing and work of the Lord to see the enrollment increased by over 66%.

For this to happen, there is no doubt that God has blessed HBA with four highly skilled, creative, and caring teachers. The other half of this equation is the support that the students and school receive from our families. In our society today, the devil is having his way in the home. Too many try to operate by grit with the wrong motivations leading them. I am thankful for families that are committed to following the Lord and allowing Him to lead their lives. Thank you for letting us minister to your young people.

Playground Update

Progress is steadily being made to HBA's new play area. Thanks to all those that participated in our last work day.

We are hoping to see it completed and ready to be used within the next week. Students can hardly wait...and neither can the teachers!

Future Projects

HBA is not stopping with the completion of the play area. We hope to also accomplish the following projects in the near future:

- Construct 2 teeter-totters
- Purchase Badminton kit
- Install connecting sidewalk
- Install 3 additional swings

If you can assist with these projects or wish to donate financially, please speak to Bro. Moriarty.
